Greetings Bill, Tuesday works fine to talk. How about 10AM PST? Since you may already be out of the office, I will go head and hold that time in my schedule, but I have flexibility on Tuesday so please let me know at your earliest convenience if some other time works better for you. Likewise, enjoy the weekend. Regards, Ivan.

Ivan, thank you for your return call last evening. I'm sorry I wasn't here to receive it. I understand from your voicemail that you won't be available until later in the day today Eastern time. Unfortunately, I have to leave a bit early today so perhaps we can schedule a call for Tuesday of next week? If so, what time is convenient for you?

Thanks and have a great weekend.

Bill
